COPYRIGHT AND WARRANTY INFORMATION

No part of this user guide, including the products and software described in it, may be reproduced, transmitted, transcribed, stored in a retrieval system, or translated into any language in any form or by any means, except documentation kept by the purchaser for backup purposes, without the express written permission of ASUSTeK Computer INC. ("ASUS").

Product warranty or service will not be extended if: (1) the product is repaired, modified or altered, unless such repair, modification or alteration is authorized in writing by ASUS; or (2) the serial number of the is defaced or missing.

ASUS PROVIDES THIS User guide "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL ASUS, ITS DIRECTORS, OFFICERS, EMPLOYEES OR AGENTS BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING DAMAGES FOR LOSS OF PROFITS, LOSS OF BUSINESS, LOSS OF USE OR DATA, INTERRUPTION OF BUSINESS AND THE LIKE), EVEN IF ASUS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES ARISING FROM ANY DEFECT OR ERROR IN THIS User guide OR PRODUCT.

Products and corporate names appearing in this user guide may or may not be registered trademarks or copyrights of their respective companies, and are used only for identification or explanation and to the owners' benefit, without intent to infringe.

SPECIFICATIONS AND INFORMATION CONTAINED IN THIS User guide ARE FURNISHED FOR INFORMATIONAL USE ONLY, AND ARE SUBJECT TO CHANGE AT ANY TIME WITHOUT NOTICE, AND SHOULD NOT BE CONSTRUED AS A COMMITMENT BY ASUS. ASUS ASSUMES NO RESPONSIBILITY OR LIABILITY FOR ANY ERRORS OR INACCURACIES THAT MAY APPEAR IN THIS User guide, INCLUDING THE PRODUCTS AND SOFTWARE DESCRIBED IN IT.

Copyright © 2014 ASUSTeK Computer INC. All Rights Reserved.

LIMITATION OF LIABILITY

Circumstances may arise where because of a default on ASUS' part or other liability, you are entitled to recover damages from ASUS. In each such instance, regardless of the basis on which you are entitled to claim damages from ASUS, ASUS is liable for no more than damages for bodily injury (including death) and damage to real property and tangible personal property; or any other actual and direct damages resulted from omission or failure of performing legal duties under this Warranty Statement, up to the listed contract price of each product.

ASUS will only be responsible for or indemnify you for loss, damages or claims based in contract, tort or infringement under this Warranty Statement.

This limit also applies to ASUS' suppliers and its reseller. It is the maximum for which ASUS, its suppliers, and your reseller are collectively responsible.

UNDER NO CIRCUMSTANCES IS ASUS LIABLE FOR ANY OF THE FOLLOWING: (1) THIRD-PARTY CLAIMS AGAINST YOU FOR DAMAGES; (2) LOSS OF, OR DAMAGE TO, YOUR RECORDS OR DATA; OR (3) SPECIAL, INCIDENTAL, OR INDIRECT DAMAGES OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS OR SAVINGS), EVEN IF ASUS, ITS SUPPLIERS OR YOUR RESELLER IS INFORMED OF THEIR POSSIBILITY.

About this manual

This manual provides information about the hardware and software features of your ASUS ZenWatch, organized through the following chapters:

Chapter 1: Parts and features

This chapter details the hardware components of your ASUS ZenWatch.

Chapter 2: Using your ASUS ZenWatch

This chapter shows you how to use the different parts of your ASUS ZenWatch.

Chapter 3: Working with Android Wear

This chapter provides an overview of using Android Wear in your ASUS ZenWatch

Chapter 4: Featured ASUS ZenWatch phone apps

This chapter provides information on some of the features ASUS ZenWatch apps that you can download and use on your paired phone.

Appendices

This section includes notices and safety statements for your ASUS ZenWatch.

Conventions used in this E-Manual

To highlight key information in this E-Manual, some text are presented as follows:

IMPORTANT! This message contains vital information that must be followed to complete a task.

NOTE: This message contains additional information and tips that can help complete tasks.

WARNING! This message contains important information that must be followed to keep you safe while performing tasks and prevent damage to your ASUS ZenWatch's data and components.

Typography

- Bold** = This indicates a menu or an item that must be selected.
Italic = This indicates sections that you can refer to in this user guide.

Input mode

The icons below indicate the input features you can use to complete a series of tasks or procedures on your ASUS ZenWatch.

= Use gestures.

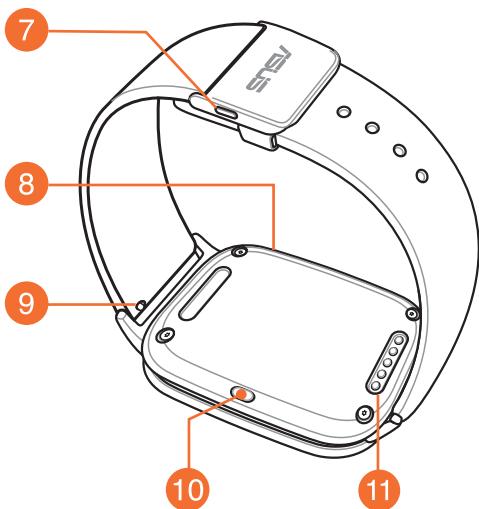

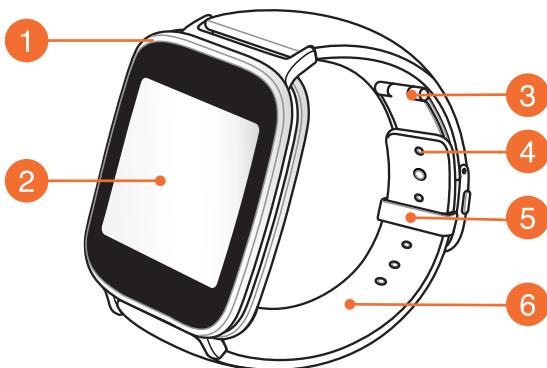

= Use voice command.

1

Parts and features

ASUS ZenWatch

Parts

Features

1 Metal sensor

Place your fingers on the metal sensor, surrounding the bezel, to measure your physiological data for health and fitness apps.

NOTE: For more details

2 Touch screen display panel

Use the touch screen display panel to operate your ASUS ZenWatch using gestures.

NOTE: For more details, refer to the *Navigating your ASUS ZenWatch* section in this E-Manual.

3 Deployment buckle

The deployment buckle allows you to extend the length of your current straps for a more comfortable fit.

NOTE: For more details, refer to the *Adjusting the strap* section in this E-Manual.

4 Adjustment hole

Lock your straps in place by inserting the pin of the deployment buckle into an adjustment hole.

5 Loop

Use the loop to tuck away the excess strap of your ASUS ZenWatch.

6 Strap

The strap allows you to wear your ASUS ZenWatch on your wrist.

7 Release button

Press this button to unlock the straps of your ASUS ZenWatch.

8 Microphone

The built-in microphone allows you to operate your ASUS ZenWatch using voice command.

9 Spring bar

Press the pin on this spring bar to remove the current strap of your ASUS ZenWatch.

NOTE: To replace the current strap of your ASUS ZenWatch, refer to the *Replacing the straps* section in this E-Manual.

10 Power and reset button

Press this button to power your ASUS ZenWatch on or off, or to reset it to its factory settings.

NOTE: For details on using the power and reset button, refer to the *Powering on, Powering off, and Resetting your ASUS ZenWatch* sections in this E-Manual.

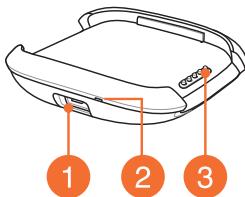

11 Charging connectors

Align and connect these charging connectors to the charging pins of your charging cradle to charge the battery of your ASUS ZenWatch.

Charging cradle

Parts

NOTE: For details on using the charging cradle, refer to the *Charging your ASUS ZenWatch* section in this E-Manual.

Features

1 Micro USB port

Insert the bundled micro USB to USB cable into this port to connect your charging cradle to a power supply.

2 LED indicator

The LED indicator lights up to indicate that the ASUS ZenWatch is currently on battery charge mode.

3 Charging pins

Connect these pins to the charging connectors to charge the battery and supply power to your ASUS ZenWatch.

DRAFT 2

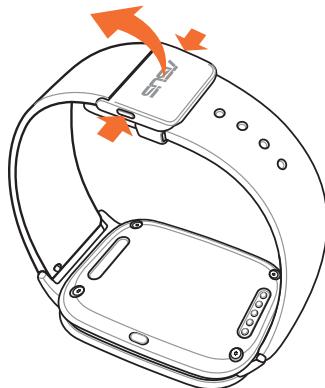

2

Using your ASUS ZenWatch

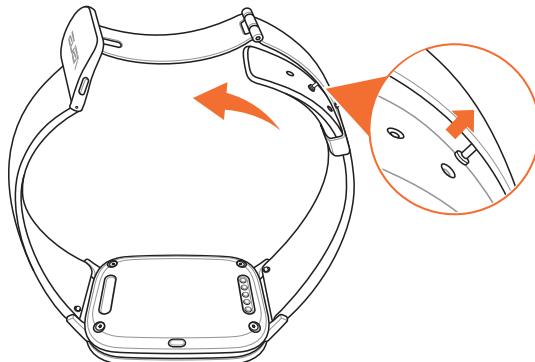

Adjusting the strap

Refer to the following illustrations when adjusting the strap of your ASUS ZenWatch.

1. Press the release buttons to unfold the deployment buckle.

2. Detach the pin from its current hole, then move the strap according to your desired length.

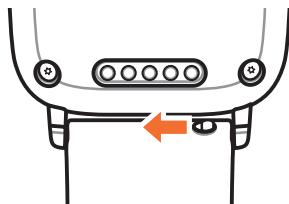

Replacing the strap

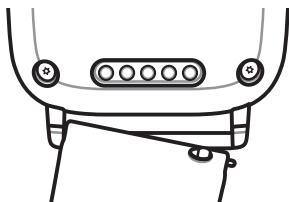

IMPORTANT! Your ASUS ZenWatch is compatible with watch straps that have a standard 22 mm spring bar pin.

NOTE: Refer to your new strap's user guide for instructions on how to attach it with your ASUS ZenWatch.

1. Press the pin on your current strap, as shown below, to detach it from the ASUS ZenWatch.

2. Gently pull out the current strap to replace it with a new one. Refer to your new wrist band's replacement instructions.

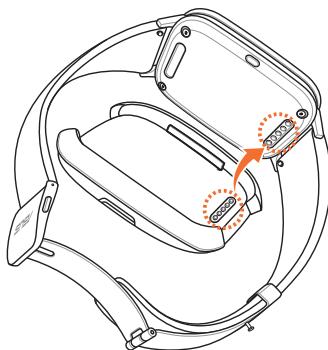

Charging your ASUS ZenWatch

IMPORTANT!

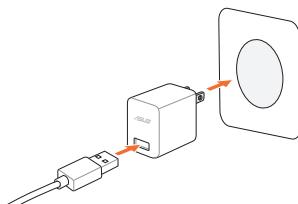

Power adapter information:

- Input voltage: +5V
- Input frequency: 50-60Hz
- Rating output current: 0.5 A (2.5W)
- Rating output voltage: 19V

1. Connect the charging pins to the charging connectors.

2. Connect the micro USB to USB cable to your power adapter, then connect the power adapter to a nearby power outlet.

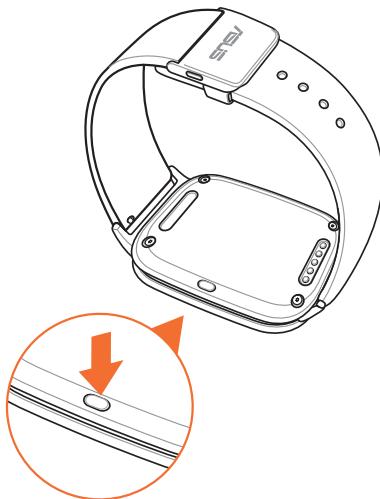

DRAFT 2

3. Connect the micro USB to USB cable to the charging cradle to start charging your ASUS ZenWatch.

Powering on

Press and hold for three (3) seconds.

Powering off

1. Press and hold the reset button to launch **Settings**.
2. Swipe up on the Settings screen and touch **Power off**.
3. Touch .

3

Working with Android Wear

Installing Android Wear app on your phone

IMPORTANT! Visit g.co/WearCheck on your phone to see if it is compatible with Android Wear 4.3 and up.

1. Connect your phone to the Internet then log in or sign up for a Google account.
2. Open **Google Play Store** on your phone.

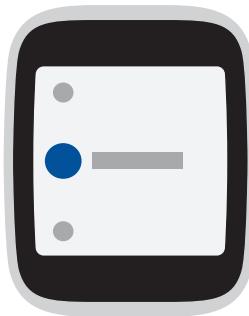

3. Search for **Android Wear** then select **INSTALL**.

Pairing for the first time

IMPORTANT! Turn on the Bluetooth of your phone before pairing.

1. Connect your phone to the Internet.
2. Power on your ASUS ZenWatch then select the language similar to your phone's.

3. Next, ASUS ZenWatch prompts you to install **Android Wear** on your phone.

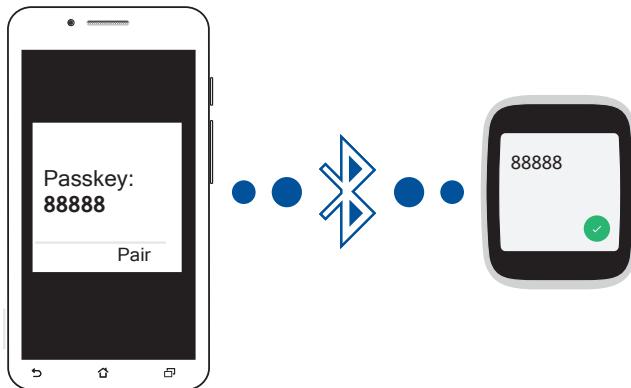

DRAFT 2

4. On your phone, select the same model name shown on your ASUS ZenWatch.

5. Ensure that the passkey on your phone and ASUS ZenWatch are the same, then pair.

6. View the onscreen tutorials on using Android Wear.

Downloading ASUS ZenWatch Manager app on your phone

The ASUS ZenWatch Manager app allows you to use special features such as: **Find my phone**, **Find my watch**, **Unlock my phone**, **Cover to mute**, personalize your own watch face, and many more.

NOTE: Refer to *ASUS ZenWatch apps for the phone* for more details on these special features. Features may be updated without prior notice.

To download ASUS ZenWatch Manager:

1. Connect your phone to the Internet then log on or sign up for a Google account.
2. Open **Google Play Store** on your phone.
3. Search for **ASUS ZenWatch Manager** then select **INSTALL**.

NOTE: Visit Google Playstore to view the latest list of ASUS ZenWatch apps.

Navigating your ASUS ZenWatch

Wake the screen (option 1)

Touch to wake up your ASUS ZenWatch.

Wake the screen (option 2)

Tilt your wrist to wake up your ASUS ZenWatch.

Watch face

The watch face is the screen that displays the time on your ASUS ZenWatch.

ASUS ZenWatch is currently unpaired.

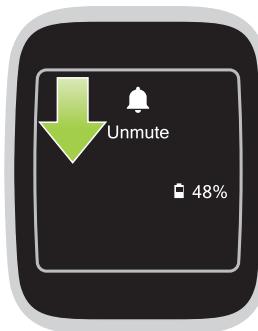

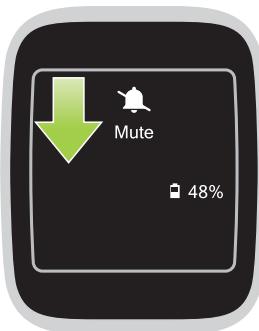

ASUS ZenWatch is being charged.

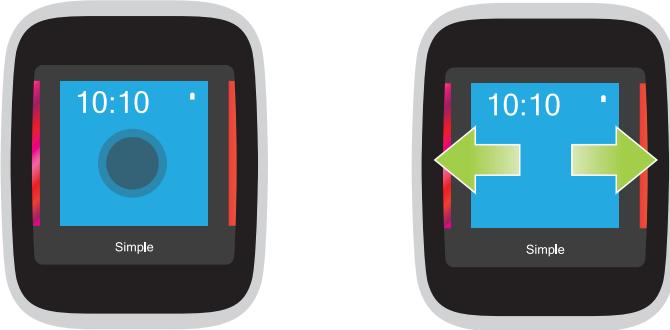

Mute notifications.

Muting notifications and viewing the battery charge percentage

Go to the watch face, **swipe down then hold** to mute or unmute notifications, and view the current battery charge percentage.

Changing the watch face

On the watch face, touch and hold for two (2) seconds to launch options.

Swipe left or right then **touch** to select your watch face.

NOTE: Use ASUS ZenWatch Manager app to create your own watch face.

Dimming the screen

Press your palm on ASUS ZenWatch to dim your touch screen display.

Using voice actions

Using voice action allows you to call out features and apps. To start using voice action:

Wake the screen, say "OK Google", then say "Take a note", "Show me my steps", or any other actions that can be used on your ASUS ZenWatch.

To view the action list:

1. Tap on the watch face.
2. Tap on the voice command screen.

To launch an app from the list:

1. Tap on the watch face.
2. Tap on the voice command screen.
3. Scroll up or down to view the apps then tap the app you want to launch.

Launch **OK Google** then say **Start** plus the name of the app you would like to launch.

Action list

Remind me - Use this to create reminders that automatically sync with your Google account. On the date of the task/event, Google Now sends a notification card to remind you of it.

Show me my steps - This option allows you to track your daily number of steps, for fitness purposes.

NOTE: For more details, refer to the *Fit* section in this E-Manual

Show me my heart rate - This option allows you to measure your current heart rate on your ASUS ZenWatch using your preferred fitness app.

Send a text - Use this to send a text message to any contact saved on your paired device.

Email - Use this to create or read emails received from your paired device.

Agenda - Use this to view all events scheduled on your paired device's calendar.

Navigate - Use this to locate specific places and destinations.

Set a timer - Use this to set a countdown timer. After choosing this option, swipe up to view a list of timer options.

Start stopwatch - Use this to enable the stopwatch feature. After choosing this option, tap on the white dot to begin the stopwatch.

Set an alarm - Use this to set an alarm. After choosing this option, swipe up or down to view a list of alarm time options.

Settings - Use this to configure the display, connectivity, and device settings of your ASUS ZenWatch.

Start - Use this option to access the bundled apps you can use with your ASUS ZenWatch.

Start apps

Inside Start, you can find apps that enable the additional features of your ASUS ZenWatch.

To view the Start apps list:

Launch **OK Google**, tap the screen to launch its options, then select **Start**.

Launch **OK Google** then say **Start**.

To launch a Start app:

Scroll up or down to view the apps then tap the app you want to launch.

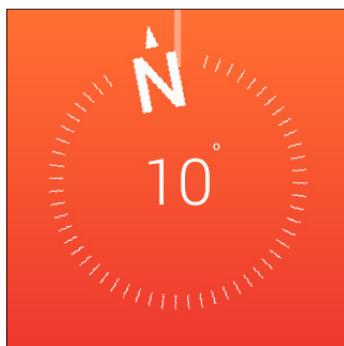

Launch **OK Google** then say **Start** then the name of the app you want to launch.

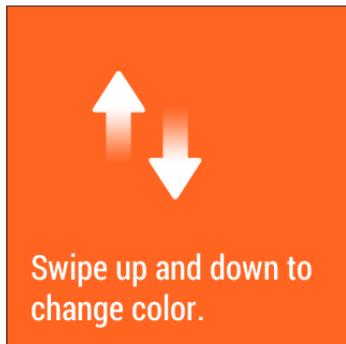

Compass

Turn your ASUS ZenWatch to an instant compass for your navigation needs.

Flashlight

Turn your ASUS ZenWatch into an instant flashlight using this app.

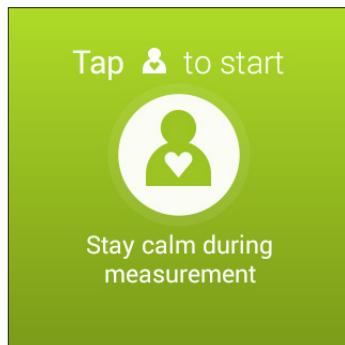

NOTE: Follow the onscreen tutorial to learn how to customize your Flashlight settings.

Wellness

Achieve a balanced mind and body as you set goals for step counts, and track your heart rate and relaxation levels.

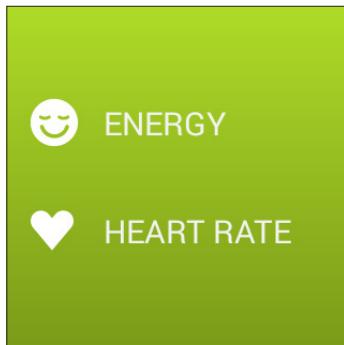

NOTE: The Wellness app results are intended for leisure and fitness purposes only. They should not be used for medical diagnosis.

NOTE: Tap to proceed to measuring your current energy level or heart rate.

Wellness features

From the Wellness card, tap to proceed to enable any of the following features:

IMPORTANT! After tapping any of the features, follow the onscreen instructions and wait for the countdown to finish before lifting your fingers off the sensor.

ENERGY - This option allows you to measure your current energy level and gives you an idea of your current disposition.

HEART RATE - This option allows you to monitor your current heart rate.

4

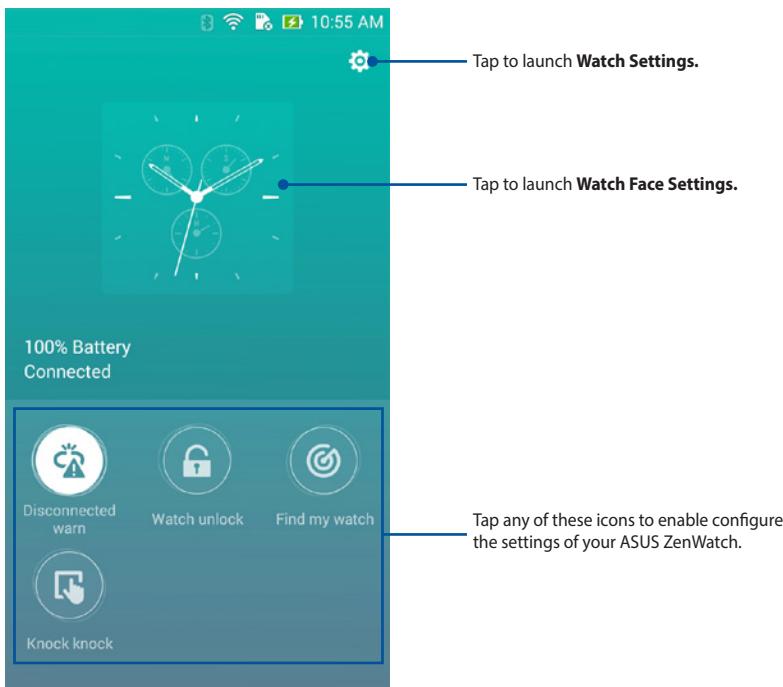

*Featured ASUS ZenWatch
phone apps*

Featured ASUS ZenWatch apps

Download the following apps on your paired device via Google Play Store or Android Wear.

ASUS ZenWatch Manager

This app allows you to configure the settings of your ASUS ZenWatch. It also includes security features that help keep track of your ASUS ZenWatch and your paired device.

DRAFT 2

Watch Settings

The Watch Settings allows you to configure some of the Start apps installed on your ASUS ZenWatch. It also allows you to enable additional features for your ASUS ZenWatch.

ASUS Remote Link

Turn your ASUS ZenWatch into a wireless input device and a presentation tool. Using this app, you can use your ASUS ZenWatch as a touchpad, touchscreen panel, laser pointer for presentations, and Windows® Media Player controller while connected to your computer via bluetooth.

NOTES:

- Before using Remote Link, ensure to install Remote Link to your computer. Go to <http://remotelink.asus.com> to download PC Link and install it to your computer.
 - Ensure to pair your computer and your ASUS ZenWatch first before using Remote Link.
-

Using Remote Link

To use Remote Link:

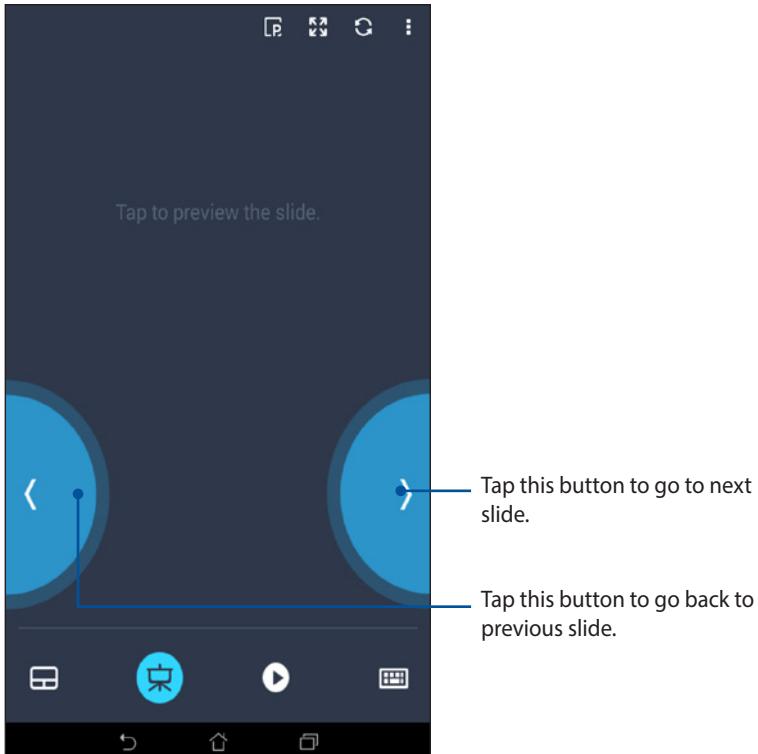

1. From your Home screen, tap  then tap **Remote Link**.
2. Tap **Search device** then select the device that you want to connect.

Remote Link touch pad

Tap  to activate ASUS Smart gesture and avigate your computer.

Remote Link presentation controller

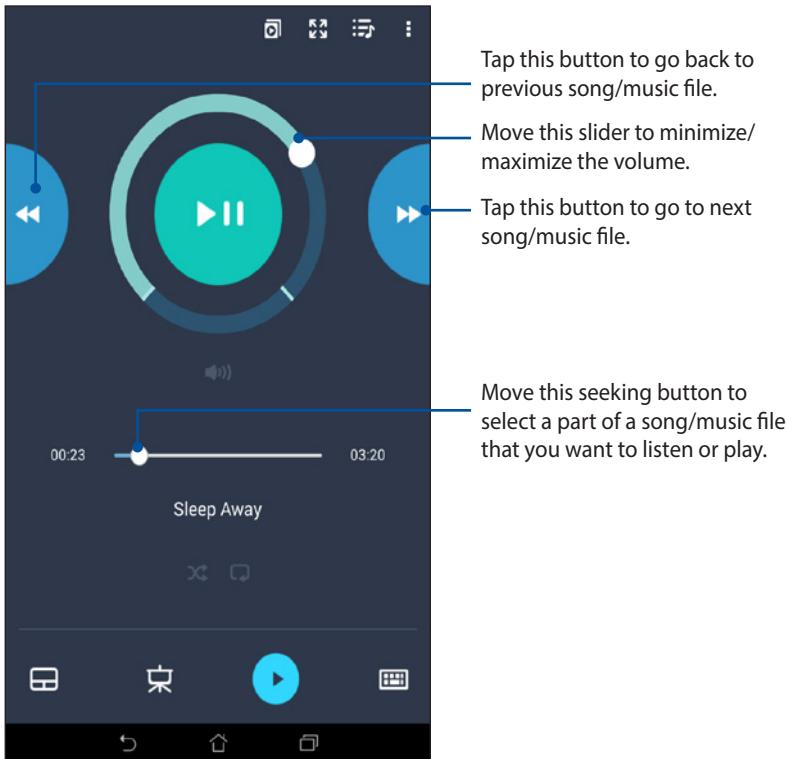

Tap  to control the presentation slides on your computer.

DRAFT 2

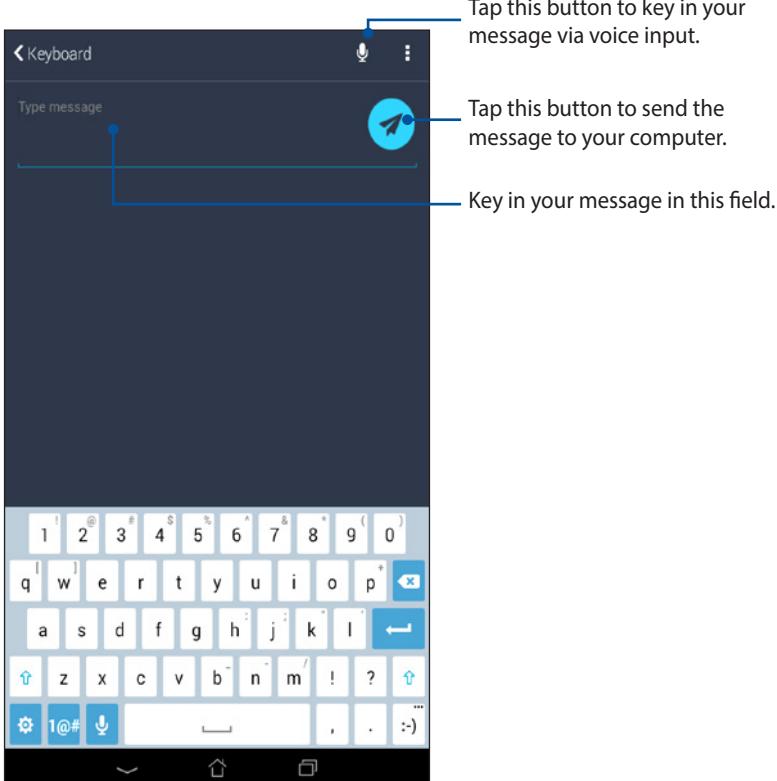

Remote Link Windows® Media Player controller

Tap  to control the Windows® Media player.

Remote Link keyboard input

Tap  to use keyboard input. You can also use the microphone icon for voice input.

DRAFT 2

Appendices

Appendices

Safety precautions

- Refer to the rating label on the bottom of your ASUS ZenWatch and ensure that your power adapter complies with this rating.
- Do not leave your ASUS ZenWatch charging on your lap or near any part of your body to prevent discomfort or injury from heat exposure.
- Do not use damaged power cords, accessories, and other peripherals with your ASUS ZenWatch.
- The socket outlet must be easily accessible and near your ASUS ZenWatch.

Battery precautions

- The battery used in this device may present a risk of fire or chemical burn if removed or disassembled.
- Follow the warning labels for your personal safety.
- Risk of explosion if battery is replaced by an incorrect type.
- Do not dispose of in fire.
- Never attempt to short-circuit the battery.
- Never attempt to disassemble and reassemble the battery.
- Discontinue usage if leakage is found.
- The battery and its components must be recycled or disposed of properly.
- Keep the battery and other small components away from children.

Federal Communications Commission Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

CAUTION:

Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF exposure warning

The equipment complies with FCC RF exposure limits set forth for an uncontrolled environment.

The equipment must not be co-located or operating in conjunction with any other antenna or transmitter.

Canada, Industry Canada (IC) Notices

This device complies with Canada licence-exempt RSS standard(s).

Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This device complies with Industry Canada licence-exempt RSS standard(s).

CAN ICES-3(B)/NMB-3(B)

Canada, avis d'Industry Canada (IC)

Cet appareil est conforme avec Industrie Canada exemptes de licence RSS standard(s).

Son fonctionnement est soumis aux deux conditions suivantes : (1) cet appareil ne doit pas causer d'interférence et (2) cet appareil doit accepter toute interférence, notamment les interférences qui peuvent affecter son fonctionnement.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence.

CAN ICES-3(B)/NMB-3(B)

Radio Frequency (RF) Exposure Information

The radiated output power of the Wireless Device is below the Industry Canada (IC) radio frequency exposure limits. The Wireless Device should be used in such a manner such that the potential for human contact during normal operation is minimized.

This device has also been evaluated and shown compliant with the IC RF Exposure limits under mobile exposure conditions. (antennas are greater than 20 cm from a person's body).

Informations concernant l'exposition aux fréquences radio (RF)

La puissance de sortie émise par l'appareil de sans fil est inférieure à la limite d'exposition aux fréquences radio d'Industry Canada (IC). Utilisez l'appareil de sans fil de façon à minimiser les contacts humains lors du fonctionnement normal.

Ce périphérique a également été évalué et démontré conforme aux limites d'exposition aux RF d'IC dans des conditions d'exposition à des appareils mobiles (antennes sont supérieures à 20 cm à partir du corps d'une personne).

NCC警語:

經型式認證合格之低功率射頻電機，非經許可，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。

低功率射頻電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。

前項合法通信，指依電信法規定作業之無線電通信。低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

Declaration of Conformity (R&TTE directive 1999/5/EC)

The following items were completed and are considered relevant and sufficient:

- Essential requirements as in [Article 3]
- Protection requirements for health and safety as in [Article 3.1a]
- Testing for electric safety according to [EN 60950]
- Protection requirements for electromagnetic compatibility in [Article 3.1b]
- Testing for electromagnetic compatibility in [EN 301 489-1] & [EN 301 489-17]
- Effective use of the radio spectrum as in [Article 3.2]
- Radio test suites according to [EN 300 328-2]

CE Marking

CE marking for devices without wireless LAN/Bluetooth

The shipped version of this device complies with the requirements of the EEC directives 2004/108/EC "Electromagnetic compatibility" and 2006/95/EC "Low voltage directive".

Specified Radio Equipment in Japan

R203-JN6088

Regional notice for Singapore

Complies with
IDA Standards
DB103778

This ASUS product complies with IDA Standards.

Global Environmental Regulation Compliance and Declaration

ASUS follows the green design concept to design and manufacture our products, and makes sure that each stage of the product life cycle of ASUS product is in line with global environmental regulations. In addition, ASUS disclose the relevant information based on regulation requirements.

Please refer to <http://csr.asus.com/english/Compliance.htm> for information disclosure based on regulation requirements ASUS is complied with:

Japan JIS-C-0950 Material Declarations

EU REACH SVHC

Korea RoHS

Swiss Energy Laws

ASUS Recycling/Takeback Services

ASUS recycling and takeback programs come from our commitment to the highest standards for protecting our environment. We believe in providing solutions for you to be able to responsibly recycle our products, batteries, other components as well as the packaging materials. Please go to <http://csr.asus.com/english/Takeback.htm> for detailed recycling information in different regions.

Proper disposal

Do not throw your ASUS ZenWatch in municipal waste. This product has been designed to enable proper reuse of parts and recycling. The symbol of the crossed out wheeled bin indicates that the product (electrical, electronic equipment and mercury-containing button cell battery) should not be placed in municipal waste. Check local regulations for disposal of electronic products.

Do not throw the battery in municipal waste. The symbol of the crossed out wheeled bin indicates that the battery should not be placed in municipal waste.

Rechargeable Battery Recycling Service in North America

For US and Canada customers, you can call 1-800-822-8837 (toll-free) for recycling information of your ASUS products' rechargeable batteries.

Regional notice for California

This product contains chemicals, including lead, known to the State of California to cause birth defects or other reproductive harm. Wash hands after handling.

Regional notice for India

This product complies with the "India E-waste (Management and Handling) Rule 2011" and prohibits use of lead, mercury, hexavalent chromium, polybrominated biphenyls(PBBs) and polybrominated diphenyl ethers (PBDEs) in concentrations exceeding 0.1 % by weight in homogenous materials and 0.01 % by weight in homogenous materials for cadmium, except for the exemptions listed in Schedule-II of the Rule.

Notices for removeable batteries

- Risk of explosion if battery is replaced by an incorrect type.
- The battery and its component must be recycled or disposed of properly.

Avis concernant les batteries remplaçables

- La batterie de l'ordinateur portable peut présenter un risque d'incendie ou de brûlure si celle-ci est retirée ou désassemblée.
- La batterie et ses composants doivent être recyclés de façon appropriée.

Australian Communication and Media Authority

View the regulatory information for your ASUS ZenWatch via **Setting > About > Regulatory information**.

National Telecommunications Commission (NTC) of the Philippines

This ASUS product complies with NTC Standards.

No.: ESD-1409672C

Nordic Lithium Cautions (for lithium-ion batteries)

CAUTION! Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type recommended by the manufacturer. Dispose of used batteries according to the manufacturer's instructions. (English)

ATTENZIONE! Rischio di esplosione della batteria se sostituita in modo errato. Sostituire la batteria con un una di tipo uguale o equivalente consigliata dalla fabbrica. Non disperdere le batterie nell'ambiente. (Italian)

VORSICHT! Explosionsgefahr bei unsachgemäßen Austausch der Batterie. Ersatz nur durch denselben oder einem vom Hersteller empfohlenem ähnlichen Typ. Entsorgung gebrauchter Batterien nach Angaben des Herstellers. (German)

ADVARSEL! Lithiumbatteri - Eksplorisionsfare ved fejlagtig håndtering. Udkiftning må kun ske med batteri af samme fabrikat og type. Levér det brugte batteri tilbage til leverandøren. (Danish)

WARNING! Explosionsfara vid felaktigt batteribyte. Använd samma batterityp eller en ekvivalent typ som rekommenderas av apparat tillverkaren. Kassera använt batteri enligt fabrikantens instruktion. (Swedish)

VAROITUS! Paristo voi räjähtää, jos se on virheellisesti asennettu. Vaihda paristo ainoastaan laitevalmistajan sousittelemaan tyyppiin. Häitä käytetty paristo valmistagan ohjeiden mukaisesti. (Finnish)

ATTENTION! Il y a danger d'explosion s'il y a remplacement incorrect de la batterie. Remplacer uniquement avec une batterie du même type ou d'un type équivalent recommandé par le constructeur. Mettre au rebut les batteries usagées conformément aux instructions du fabricant. (French)

DRAFT 2

ADVARSEL! Ekspljosjonsfare ved feilaktig skifte av batteri.
Benytt samme batteritype eller en tilsvarende type anbefalt
av apparatfabrikanten. Brukte batterier kasseres i henhold til
fabrikantens instruksjoner. (Norwegian)

標準品以外の使用は、危険の元になります。交換品を使用する場合、製造者
に指定されるものを使って下さい。製造者の指示に従って処理して下さい。
